

April 2006

**In this edition:
2006 Tree Project:
Free Trees!**

At the February 27th Board meeting, the Board of Supervisors adopted a Trees 2006 campaign with a goal to plant 2006 trees by the end of the calendar year.

Free trees are available to plant on public or common community property in Fairfax County. Tree guards and stakes are also available through this program. This effort is made possible through a partnership with Fairfax ReLeaf, the Fairfax County Tree Commission, the Northern Virginia Soil and Water Conservation District, and other donating organizations.

Order forms are available through my office or by contacting Fairfax ReLeaf at trees@fairfaxreleaf.org or 703-324-1409.
